PROFESSIONAL EXPERIENCE

Finance Manager – Finance & Operations | Al Fursan Used Computers TR LLC | Dubai, UAE & Hong Kong 2023 – Present

Reporting directly to ownership, leading financial strategy, budgeting, treasury, procurement governance, and business performance management for a UAE-Hong Kong operation generating approximately AED 13–18 million in annual revenue.

Managing a team of 7 professionals across finance, procurement, and operational support functions while serving as a strategic advisor on profitability, liquidity, and growth initiatives.

STRATEGIC INITIATIVES & KEY CONTRIBUTIONS

- Led budgeting, forecasting, and financial planning processes, including projected P&L and cash flow management, enabling proactive decision-making and improved financial visibility.
- Developed product, contract, and client-level profitability models, strengthening cost control and driving margin improvement across business lines.
- Built executive MIS and financial dashboards to track performance against budgets, supporting leadership with actionable insights.
- Strengthened working capital management through effective cash flow planning and alignment of procurement cycles with revenue projections.
- Led cross-functional cost optimization initiatives that delivered 5.5–7% procurement savings and improved gross margins.
- Improved working capital efficiency through strategic supplier agreements and optimized procurement planning.
- Partnered with operational teams to reduce logistics costs by 3% month-on-month while improving service levels and inventory availability.

Global Finance Manager | ITR Global FZE | Dubai, UAE & UK

2021 – 2023

Reporting directly to the CEO and shareholders, led finance for a multi-entity international group operating across UAE, UK, Australia, and Pakistan with annual revenues of approximately USD 9–10 million.

Managed a finance team of 10 professionals and provided strategic financial leadership supporting business growth, investor engagement, and performance optimization.

STRATEGIC INITIATIVES & KEY CONTRIBUTIONS

- ▶ Co-developed detailed business models with the CEO, supporting multi-entity strategic decision-making, tracking budgets across all group entities.
- ▶ Presented consolidated financial performance and strategic recommendations to shareholders and executive leadership.
- ▶ Engineered an integrated Excel-based procurement dashboard capturing key cost drivers and sales targets, enabling accurate gross margin forecasting; improved pricing decisions and delivered a **4%** increase in gross margin per deal, ensuring timely and profitable execution.
- ▶ Secured **AED 5.5M** in funding through a mix of crowdfunding, angel investors, and private investors, strengthening the capital base and supporting business growth initiatives.
- ▶ Structured and facilitated **GBP 1.5M** in private investor financing for a strategic supplier purchase contract, ensuring timely execution of the transaction and supporting revenue growth objectives.
- ▶ Supported investment decisions, business expansion initiatives, and capital allocation planning across international entities.

Chief Accountant | Green Point Technical Services LLC (DAMAC Group) | Dubai, UAE

Feb 2019 – Apr 2021

Led finance operations for the Facilities Management division of DAMAC Group with annual revenues of approximately AED 30–40 million.

Managed a team of 11 professionals while partnering with executive leadership to strengthen governance, improve working capital performance, and support strategic business expansion initiatives. Developed investment and feasibility models for new business ventures, presenting recommendations directly to executive leadership and contributing to successful board approvals.

STRATEGIC INITIATIVES & KEY CONTRIBUTIONS

- ▶ Served as an active member of the **MS Dynamics 365** implementation team, integrating CRM and production modules with finance to cut process execution time by **55%**.
- ▶ Developed feasibility plans for **two new business verticals** (laundry services; concierge & cleaning), both successfully presented to the Board of Directors and Chairman.
- ▶ Reduced receivables from **AED 21M to AED 7M** in **8 months** by designing and deploying an Accounts Receivable Tracker (ART) with a systematic follow-up and escalation framework.
- ▶ Prepared monthly MIS reporting packs incorporating horizontal/vertical P&L, cost driver analysis, and variance reporting with corrective recommendations, directly informing VP-level decisions.

Assistant Manager – Finance | Levant Jewellery DMCC | Dubai, UAE

Oct 2016 – Dec 2018

Managed finance operations for a luxury trading business generating approximately AED 25–30 million in annual revenue.

Led a team of finance professionals while supporting ownership with financial strategy, treasury management, profitability analysis, and capital planning initiatives.

STRATEGIC INITIATIVES & KEY CONTRIBUTIONS

- ▶ Devised an early-payment strategy that secured a **15% supplier discount**, generating **AED 3M** in cost savings within **6 months**.
- ▶ Executed granular product costing, pricing models, and tax management to achieve target profit margins across the jewellery portfolio, while supporting structured reporting, procurement, and pricing strategy.
- ▶ Prepared P&L statements, balance sheets, and cash flow forecasts, ensuring complete financial visibility for ownership and management.

Senior Finance Executive | Paklite FZC | Sharjah, UAE

Mar 2015 – Sep 2016

Supported manufacturing finance activities including standard costing, inventory valuation, variance analysis, factory budgeting, and production planning support.

Participated in CAPEX evaluations and manufacturing performance reviews. Managed financing facilities exceeding USD 100 million while maintaining robust financial controls.
